Case No. 3:18-CV-00551-MMD-CLB

**ORDER RE: VIOLATION OF GENERAL  
ORDER 2021-05**

[ECF No. 347]

10 On October 13, 2021, this Court entered General Order No. 2021-05 ("GO 2021-  
11 05"), setting forth certain requirements and limitations for filings in Pro Se Inmate Non-  
12 Habeas Civil Rights cases. On February 9, 2024, non-party David Johnson ("Johnson"),  
13 filed a document titled "Ex Parte Amicus Curiae Notice to the Court", (ECF No. 347.)

14 This filing violates GO 2021-05, as the document is an improper "notice" filed with  
15 the Court. See GO 2021-05, § 3(d). In addition to this violation of GO 2021-05, this  
16 document was improperly filed as Johnson is not a party to this action and if he wishes to  
17 assert claims, he must file his own independent action.

18 Accordingly, the notice, (ECF No. 347), is hereby **STRICKEN**.

19 **IT IS SO ORDERED.**

20 **DATED:** February 12, 2024 .
